Our Vision: The Center for Minority Veterans (CMV) is the Department of Veterans Affairs (DVA) model for interagency and intra-agency cooperation, to ensure all Veterans receive equal service regardless of race, origin, religion or gender. We are process improvement oriented and both internally and externally customer-centric.

Our Mission: To assist DVA by “keeping the promise”, by acting as a facilitator, change agent, strategic thinker, honest broker and cheerleader to the men and women of VA in executing its Mission.

Who We Serve: As required by Congress in 1994, under Title 38 Public Law 103-446, CMV’s Primary emphasis is on the following minority Veterans: Pacific Islander, Asian American, African American, Hispanic/Latino, and Native Hawaiian.
